

Puppy application

The following questions are not meant to be personal or intrusive, but to find the best fit for you and your puppy

Considering the many dog breeds available, what made you choose the Pyrenean Mastiff?

What will be the purpose and long-term goals for your puppy?

Companion Guardian Show Dog Breeding

Service Dog Other _____

Desired Sex: _____ Male _____ Female _____ No Preference

What do you think are the 4 most important things you can do for your dog to help him/her live a long, happy and healthy life?

Do you own your home? _____ Yes _____ No

If you don't, please explain your living situation:

Do you have a fenced in yard? _____ Yes _____ No

If you do, how much area is fenced?

How tall is your fence?

If you do not have a fence, how do you plan to potty train, exercise and teach boundaries?

Will your dog be an indoor dog or outdoor dog?

If outdoors, what kind of shelter will your dog have?

If indoors, how often will someone be home?

How often will your dog be exercised and how?

Will you use crates?

Will your dog be left alone for long periods of time? If so, please elaborate.

Do you plan to do any obedience training?

What do you plan to feed your puppy/dog (raw, kibble, mixed meals, etc)?

Pyrenean Mastiffs have long hair and blow their coats more than once a year and need consistent grooming. How do you plan to maintain grooming for your dog?

Will you spay or neuter your puppy?

If you decide to spay or neuter, are you willing to wait until your puppy has reached adult size at 18 months to 2 years (hormones are important for proper skeletal maturity)?

If you do not plan to spay or neuter, please explain why.

Giant breeds can be more expensive than smaller breeds. Are you prepared for the additional costs involved in owning a large breed dog?

What do you believe are the negative attributes of this breed?

How do you plan to socialize your puppy?

If your puppy will be a livestock guardian:

The Pyrenean Mastiff has guardian instincts, but still need additional training. Do you have experience training a Livestock Guardian? If you do not, how do you plan to learn?

Keeping in mind that a puppy needs to be 18 months to 2 years old before it can independently guard, what types of livestock will your puppy be guarding?

What is your predator load like?

Do you have other livestock guardians? If so what breeds, genders and ages?

About you and your family:

Do you have other dogs? _____ Yes _____ No

If so, what breeds, gender, and age?

If you have intact animals, how do you plan to prevent unwanted litters?

How do you plan to handle conflicts if you have a multi-dog household?

Do you have any other pets? If you do, what kind and how many?

Do you have children (or frequently interact with children)? If so, how old and how many?

Have you ever had to return or re-home a puppy/dog to a breeder? If so, why?

Do you plan to include your puppy on family outings? If so, what types of activities?

Puppies go to their new homes at approximately 10 wks. Airlines will not fly a Pyrenean Mastiff domestically. Are you willing to come to Duluth, Minnesota to pick up your puppy? (No Saturday pick-ups)

Yes No

If not, please explain.

Is there any additional information you would like me to know about?
